Step 1.

Figure 1. Mounting of drawer profile

Unpack set from boxes. Take out inox drawer, slide sets and number 5 screw M4 x 10 A2. Mount drawer profile on the sides of the drawer.

IMPORTANT: Slide set contains mirrored left and right slide!

Step 2.

Figure 2. Mounting of side bracket

Mount slide brackets to the other side of the cabinet. Use number 2 screw M4 x 10 A2 to tighten bracket to the side. Use number 5 screw M4 x 10 A2 to mount slide profile onto brackets.

IMPORTANT: Slide set contains mirrored left and right slide!

Step 3.

Figure 3. Drawer

Insert middle profile and push it till the stop [slide insertion instructions on next page]. Mount drawer set to the slides. Use drawer organizer set to organize drawer to up to 9 smaller compartments.

IMPORTANT: Slide set contains mirrored left and right slide!
